Dear Families,

This is it, the last newsletter of 2006-07! The Auction Committee has a good deal of material for you today and I am also including details concerning next Tuesday's Field Day. Please note the color your child's class has been assigned. Do your best to dress your child in the appropriate color, but please realize, I don't want this to be a burden on anyone, so if you don't have an article of clothing in that color, don't feel you must go out and buy it-save that money for your summer expenses.

We will be sending out the student supply list in an early summer mailing (first week of July), so that you can take advantage of sales and full shelves!

The Student/Parent Handbook will be distributed at Back to School Night in September.

Please make sure to take care of any required immunizations over the summer.

The 2007-08 Tuition Contracts will all be sent out by early July.

The Summer Play-dates are in today's mailing.

The new PSO Officers are included in today's mailing.

Next year's Faculty assignments are included in today's mailing. There is one change that was not announced at the General Parent Meeting, this is because I was just told today. I am sad to report that Mr. Fulks, our Music teacher these past three years will not be returning next year together with Miss Thomas, Mrs. Aversa, Miss Hays and Mrs. Morley. I want to thank each of them for their service to our school and wish them all the best in their future. I will be working over the summer to fill the Music position and keep you informed. It is my objective that we carry on with the activities that Mr. Fulks helped establish- Band, Choir, Guitar and of course classroom Music instruction.

If you have never been, check out the annual Robin Hood Parade here in Sherwood this summer (July 21st) Details should be available through the city.

Over the summer break, the Art Room will be readied. I will put the finishing touches on our website; we will work on our gym project; there are some improvements to be made in the classrooms; the atrium is going to undergo a facelift...

Have a wonderful, restful and safe summer break,
Michael Cantu,
Principal
