## Library News

A reminder from the library: if your student has a library book, it is now overdue and needs to be returned. No library books are being checked out at this time. If a book cannot be found, I will be sending home reminder notices which will include a replacement cost for the missing book. You are welcome to replace the book yourself or send money to Gretchen in the office. Thank you to everyone for being so conscientious about returning, replacing and fixing books this year! These books get a lot of wear and tear and it's nice to know that they are well taken care of. It is time for their summer "rejuvenation" and input into our new computerized library system. If you would like to help fix/protect books this summer it is a great way to earn share hours. Please email me at troychak@verizon.net if you are interested. Have a wonderful summer!

Lisa Troychak,

Librarian
